

Eagan Elected Officials

Wrong decisions can lead you off Course.

**Don't abandon the Course before the round is complete.
Fail your supporters now, and you may miss the cut.**

A legacy is defined by success and style. What will yours be?

The League of Minnesota Cities, the Metropolitan Council and Citizens of Eagan have supported efforts to preserve the open space of Carriage Hills Golf Course and the integrity of the Eagan

Comprehensive Guide Plan and zoning process. There is statewide and national interest in the outcome of this round. We are looking for a future winner to step up and show the type of leadership that the Citizens of Eagan desire and deserve.

Many are watching how you play the game.

The result will lead to your legacy.

Stay the course and finish the game.
